Taylor Francis Ltd, United Kingdom, 2002. Mixed media product. Book Condition: New. 424 x 292 mm. Language: English . Brand New Book. The National Literacy Strategy has helped us to raise standards for pupils with learning difficulties. The Inclusive Readers Series is designed to support teachers in this area by providing attractive, stimulating and appropriate reading materials for children with moderate or severe learning difficulties across the 7-11 age range. It includes fiction, non-fiction and poetry, and could help to support a multi-sensory approach to learning. Each pack consists of a 16-page A3 (11-2/3 x 16-1/2) big book, with full color illustrations; a pull-out section of characters and images from the text to cut out and laminate for use in follow-up work; a teachers book with half-term and weekly plans, plus activities for pupils at different levels; and photocopiable differentiated versions of the text at four levels (P5-6, P7-1C and 1C-2A) for use with individual pupils - the lowest level using words with symbols.
