Ecq Publishing, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The IELTS test is hard and stressful, especially if this is your first time taking it. This short, easy to read study guide can help first time test takers know what to expect on test day. This book will give you the tips, strategies, and information you need to prepare you for the IELTS test. It covers the Academic version and General Training version of the IELTS test. Don't know which version you should take or what the differences between the versions are? That's in here too. It also contains outlines of what to expect from the IELTS test as a whole and the individual listening, reading, writing, and speaking modules. The breakdowns of the individual modules are useful, but the most useful parts of this book are the tips and strategies. For each module (listening, reading, writing, and speaking) we have a lot of short, easy to follow tips and strategies. The book has 36 tips for the listening module, 25 for the reading module, 48 for the writing module, and 44 for the speaking module. There are over 150 tips total in this book. With all the tips and strategies, I'm sure at least some of them will help boost your band score. And if just one of the tips helps you get a better score, isn't that worth the price of the book? The tips and strategies are the most important part of this book, but I know many IELTS test takers have a lot of trouble with the speaking portion. So, as a bonus, I've also included speaking test practice questions and examiner practice scripts so you can...
